The following is an examiner's statement of reasons for allowance: \*\*\*

The prior art was determined not to teach the specific process claimed by applicants relating to fly ash or other combustible ash treatment and thus is patentably distinct over it.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
